

Communication for the 21st Century.

ONLINE COURSE

"AAC is a dynamic area that is changing rapidly due to advances in technology and active international research endeavours (Speech Pathology Australia, 2020)."

This course will help you keep on top of these changes, using the current evidence base to present an update on AAC for the 21st century.

Course is pre-recorded and takes approximately 3.5 hours to complete, and can be done at your own pace.

Topics covered:

- Introduction to AAC
- AAC Myths
- Participation Model
- AAC Systems
- Aided Language Stimulation
- Communicative Competence
- Resource and Links

Participants will be issued with a certificate on completion of the course.

Cost for unlimited access:

Professional \$50

Parent/Carer \$25
