

AAC is Magic!

Written by Jane Farrall & Helen Tainsh

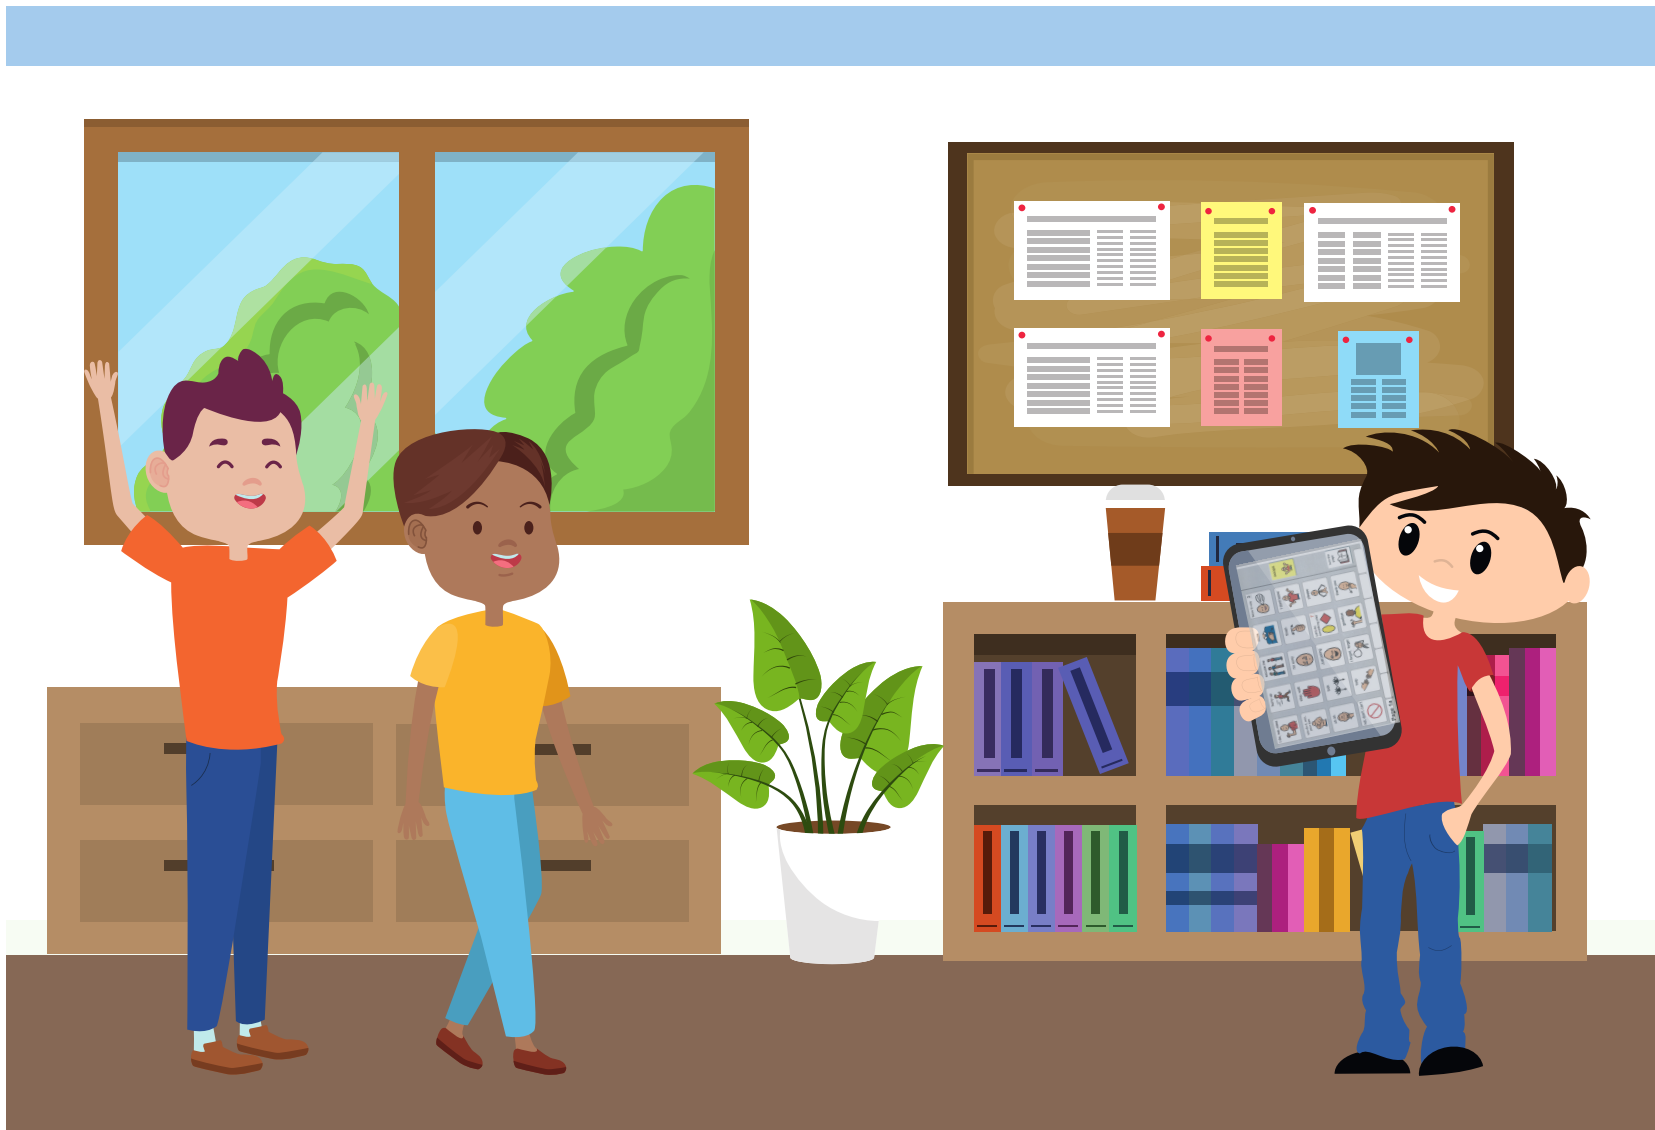

AAC is magic. AAC is my voice.

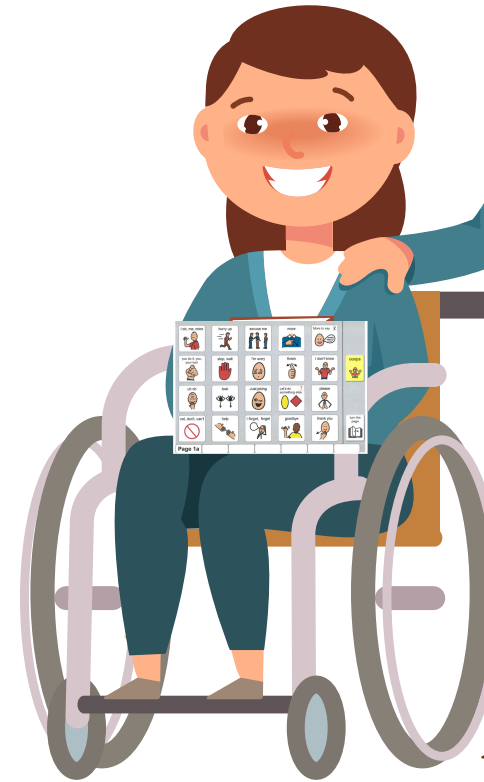

AAC is magic. I can use AAC to
make people smile.

AAC is magic. I can use AAC to talk to my friends.

AAC is magic. I can use AAC to
make people jump.

AAC is magic. AAC lets me talk
about things I love.

AAC is magic. I can use AAC to
get people to stand up!

AAC is magic. I can use AAC to tell people what I think.

AAC is magic. AAC is my voice.
