WRITING ASSESSMENT, DEVELOPMENT, TEACHING AND LEARNING: SITE LICENSES

AN IN-DEPTH WRITING COURSE FOR THOSE WORKING WITH STUDENTS WHO CANNOT RELY ON SPEECH ALONE TO BE HEARD AND UNDERSTOOD

Version 2.0 of the course addresses the same topics as the original, but with updated content to link with the Writing with All Tools Continuum, along with ongoing experience with implementation. The course takes approximately 7 - 8 hours to complete and a certificate of completion is provided for each registrant.

After purchasing a site licence, you will be asked to email names (first name and last name) and email addresses for all registrants. Registrants can be added at any time during the 36 months of the site license.

Each registrant will then receive an email and can progress through the course at their own pace. A nominated person at each school will receive a regular update of staff progress for the period of the site licence.

Any questions, please email admin@janefarrall.com
