---

This is an introductory course to comprehensive literacy instruction for students with complex communication needs. The online course is the equivalent to a full day workshop on the subject – and contains information about comprehensive literacy instruction with both emergent and conventional literacy learners.

---

The course takes around 6.5 hours to complete and can be undertaken in one day or over a 3 year period. During this time you will have unlimited access to:

- Video modules on all topics
- Handouts to download
- Extra information and resources in each area

---

To complete the course, you must watch each of the video modules on the main topics. These topics are:

- Introduction to Literacy for students with CCN
- Emergent Literacy: Overview
- Emergent literacy: Shared Reading
- Emergent Literacy: Writing
- Emergent Literacy: Working with Letters and Sounds
- Emergent Literacy: Independent Reading
- Conventional Literacy: Overview
- Conventional Literacy: Comprehension Instruction
- Conventional Literacy: Working with Words
- Conventional Literacy: Writing
- Conventional Literacy: Independent Reading

Each of these modules also has a short quiz, designed to assist you with learning the course content.

---

Once you have completed the course, you will be issued with a certificate of completion.

### Cost:

Professional \$180 for 3 years access to content
