Online Course: Introduction to Comprehensive Literacy Instruction:
Version 2.0

Jane Farrall CONSULTING
Literacy · AAC · Assistive Technology

Update to the original course!

COURSE OUTLINE

This online course covers both emergent and conventional literacy instruction, through a number of topics. Every topic has a video, handout, links and resources, plus a quiz designed to assist participants with learning the course content. Each participant must watch the video and complete the quiz for every topic.

- The topics are:
- Welcome
- Introduction to Literacy for students with CCN
- Emergent Literacy: Overview
- Emergent literacy: Shared Reading
- Emergent Literacy: Writing
- Emergent Literacy: Working with Letters and Sounds
- Emergent Literacy: Independent Reading
- Conventional Literacy: Overview
- Conventional Literacy: Comprehension Instruction
- Conventional Literacy: Working with Words
- Conventional Literacy: Writing
- Conventional Literacy: Independent Reading

➤ The Introduction to Comprehensive Literacy Instruction online course focuses on practical aspects of comprehensive literacy instruction for children and adults with disabilities, including people who cannot rely on speech alone to be heard and understood (formerly known as complex communication needs).

➤ Version 2.0 of the course addresses the same topics as the original, but with updated content to reflect new research and ongoing experience with implementation. The course takes approximately 6 hours to complete and a certificate of completion is provided.

➤ The course is designed for anyone who is beginning on the journey to support one or more students with disabilities to improve their literacy skills using comprehensive literacy instruction, including teachers, education assistants, leadership teams, therapists and parents.
