## Letters \& Sounds Activities

Term: $\qquad$ Week: $\qquad$
Letters and sounds of the week: $\qquad$

Please remember: Each of these activities is to be done interactively with an adult and the student(s). Our role is to setup the activity, join in the play, and during the activity we focus our interaction on the letters. Point to the letters in the student's AAC system and in your AAC system. Refer to the letters by the letter name and the most common sound for the letter. Talk about words, using AAC, that start with that letter as well. And have fun!!

| Letter and Sound Activity | Day to be completed | Initial when <br> done |
| :--- | :--- | :--- |
