

A story about things that float.....

*What did
I see?*

Jane Farrall

*I went to the
loo, but
what did I
see?*

*Rabbit
droppings,
floating
near me.*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, but
what did I
see?*

*A bunch of
grapes, so
smelly!*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, but
what did I
see?*

*Corn on the
cob, I
guarantee!*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, but
what did I
see?*

*Looks like a
sausage,
floating
gently!*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, but
what did I
see?*

*Chicken
nuggets, but
not
crunchy!*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, but
what did I
see?*

*Looks like
porridge, to
a degree.*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, but
what did I
see?*

*Looks just
like gravy,
so yucky!*

Pooo-ee!

*I moved to a
different
cubicle.*

*I went to the
loo, it
looked nice
and clean.*

*I felt so
happy,
doing my
thing.*

*Before I
flushed, I
looked to
see,*

*What sort
of poo came
out of me.*

*And what
do you
think I saw?*

Some of the graphics in this book come from the attached information sheet, based on the Bristol Stool Scale.

THE BRISTOL STOOL FORM SCALE (for children)

Choose your Poo!

type 1		looks like: rabbit droppings Separate hard lumps, like nuts (hard to pass)
type 2		looks like: bunch of grapes Sausage-shaped but lumpy
type 3		looks like: corn on cob Like a sausage but with cracks on its surface
type 4		looks like: sausage Like a sausage or snake, smooth and soft
type 5		looks like: chicken nuggets soft blobs with clear cut edges (passed easily)
type 6		looks like: porridge Fluffy pieces with ragged edges, a mushy stool
type 7		looks like: gravy Watery, no solid pieces ENTIRELY LIQUID

The concept by Professor DCA Candy and Emma Davey, based on the Bristol Stool Form Scale produced by Dr KW Heaton, Reader in Medicine at the University of Bristol. © 2005 Norgine Limited manufacturer of MOVICOL®-Half
